THE WINE & OLIVE SPA

Our Wine & Olive Spa was built in the year 780 as a watermill. Its main purpose was to grind the grain so they could make their own supply of flour at the Hacienda.

Our Spa it is located in the oldest building of the state, overlooking the Tormes River.

The Wine & Olive Spa is known for its 100% natural rituals and treatments based on the benefits of the olive oil and the grapevine.
